

To celebrate Peugeot's 200 year anniversary, this Summer Peugeot retail customers who order new cars will receive a **complimentary Nokia 5230 smartphone** loaded with Nokia's Ovi Maps software, **effectively giving you free Sat Nav**.

Nokia's Ovi Maps software allows you to drive to any place via the most optimal route, safe and on time. It can also be used to navigate freely on foot too, using the 'Walk' feature with built-in voice guidance. You can even record guidance in your own (or a loved one's) voice using the free Own Voice app from Nokia's Ovi Store. On top of this, International maps can be downloaded for free via a computer and then transferred onto the Nokia device.*

Other key features on the Nokia Sat Nav include 'Find Places' which allows you find addresses and places fast. Some of the premium services that are available to customers include 'Share Your Location', Weather, Events, Lonely Planet and Michelin Guides so that everyone can find the best of the best places to socialise and explore. (Usage charges will apply to premium services).

The Nokia 5230 smartphones are unlocked which enables the device to support all SIM cards, plus the handset and Sat Nav's functionality are fully supported by a dedicated Nokia helpline with Nokia online support. Some of the key features of the Nokia 5230 include:

- One hand, resistive touch screen interface
- Brilliant 3.2", 16:9 widescreen display
- Full function Media Player with graphic equaliser, which supports all main music formats.
- Up to 33 hours of music playback
- 3.5 mm AV connector which allows you to use your favourite headphones
- 2M pixel camera
- Access location based services and integrated online communities such as Facebook, MySpace and You Tube
